**Message:**

We're still in need of a letterhead and logo for correspondence. We probably should also prepare a new tri-fold flyer for distribution. Any volunteers?

Let's see whether there are any volunteers; I am sure willing to help, but I am sure that we may be able to find competent people to do this. Maybe this is something for Carol Litchfield, who sure has experience. Let's wait until she signs in and starts participating in the Board meeting.

Let me think about it and get back to you.

Carol Litchfield

**Message:**

To summarize agenda item no. 11: no volunteers have been spotted yet, and that is a pity. Next week I will be at a meeting in Mexico that deals with salterns and solar salt production (I saw on the program that Board member Carol Litchfield will be there as well), and I regret that I cannot come to that meeting with a colorful flyer for distribution. I may try to prepare a short Powerpoint presentation, explaining about the society and its goals, its past and future symposia, the link to its web site, and the address of the secretary/treasurer for applications for membership and donations (?!?!?).

Aharon:

Let's talk next week. I'm working on some ideas.
