#### Message:

I will now formally close the 2012 board meeting. This forum will remain open for any issues you want to share with the board until next year's board meeting: topics related to the upcoming symposium in China, publication of the Mar Chiquita meeting proceedings, the society's web site and other other electronic means of promoting the ISSLR, and any other relevant issues.

#### Message:

Our board member Carol Litchfield passed away last night around Midnight. Thankfully her final illness was relatively quick. A memorial celebration will be planned for 6 - 8 weeks in the future at her request.

I first met Carol during the 1994 salt lakes symposium in Beijing, That was the beginning of a long friendship and a fruitful scientific collaboration that has led to nine joint publications.

We will always remember her activities within the ISSLR and we will miss her very much!

Aharon
