Subject: update about the 2014 symposium in China

Posted on: 05 Sep 2013 22:30:28

Message:

I received the following update from Fanjing Kong about the 2014 symposium in China:

We are preparing the ISSLR conference 2014 actively. But we are waiting for the document from The Minister of Lands and Resources. you know the international conference should get the formal document from government and it has been submitted since March this year. It stays at last step and we will get it soon.

My email address at yahoo has stopped and changed to kfjbj2002@aliyun.com, [.kongjie69@hotmail.com](mailto:kongjie69@hotmail.com), kongfj@cags.ac.cn still work.

Best Regards

Fanjing

I hope to meet with Fanjing and with Mianping during my stay in Beijing - Sept. 22-27, and I will update the board afterwards. Note Fanjing's new e-mail address.

All the best,

Aharon

First circular:

12th International Conference on Salt Lake Research

The 12th International Conference on Salt Lake Research will be held July 14th-18, 2014, at The Convention Center of the Grand Epoch City, located at Ping'an Street, Town Xianghe, Langfang City, Hebei province, about 60 Km southeast of Beijing Capital International Airport (BCIA).

This conference brings together international specialists in limnology, sedimentology, geology, geochemistry, biology, ecology, and conservation issues to present the latest results of research on saline lakes. The five-day conference will be organized by topical symposia and problem-oriented sessions.

For additional meeting details, please see attached files
