Our net balance including 2 CD's was \$24,191.78 on 1/1/2013.
We had no activity during 2013 except for paying for the website.

Our current assets including the two CD's is \$23,937.77.

When I left the university monthly statements were not forwarded and I'm missing several months statements. There seems to be \$75 unaccounted for and I have to go to the local branch of the bank and request the missing statements to see what happened.

I should be able to do that some time this week and will make a proper report and accounting.

Thanks, Bob.

For the 2014 conference, we should collect the membership fee 60USD when participants register. Since the registration fee we announced does not include it, so we should adjust the registration fee. The one Bill Williams Award is 800USD, is it reasonable? The 4 salinology awards are 500USD each. I hope the Bill Williams Award is paid by the ISSLR and the conference fee pays the salinology awards.

The treasurer's report was discussed and approved by the general assembly in Beijing. Assets on January 1, 2014: \$ 23,428.34.

I will now lock this topic as well.
